## DETAILED ACTION

### *Election/Restrictions*

1. Restriction to one of the following inventions is required under 35 U.S.C. 121:
  - I. Claims 1-14 and 45-49, drawn to heat transfer compositions, classified in class 252, subclass 67.
  - II. Claims 22-28 and 38-42, drawn to foamable and flame suppression compositions, classified in class 252, subclass 8.
  - III. Claims 31-35, drawn to cleaning compositions, classified in class 510, +subclass 412.
  - IV. Claims 54-68, drawn to fluoroalkene compositions, classified in class 252.
  - V. Claims 15-21, drawn to heat transfer methods, classified in class 62, subclass 6.
  - VI. Claims 29,30,43,44,52 and 53, drawn to methods of forming foam, suppressing flames, and reducing flammability, classified in class 169, subclass 43.
  - VII. Claims 36 and 37, drawn to cleaning methods, classified in class 134, subclass 42.
  - VIII. Claims 50 and 51, drawn to sterilization methods, classified in class 422, subclass 28.
2. Inventions I, II, III, IV, V, VI, VII and VIII are unrelated. Inventions are unrelated if it can be shown that they have different modes of operation, different functions, or

different effects (MPEP § 806.04, MPEP § 808.01). In the instant case the different inventions have different utility and effects.

3. Because these inventions are distinct for the reasons given above and have acquired a separate status in the art as shown by their different classification, restriction for examination purposes as indicated is proper.

4. A telephone call was made to Debbie Chess on August 30, 2005 to request an oral election to the above restriction requirement, but did not result in an election being made.

Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Amina Khan whose telephone number is (571) 272-5573. The examiner can normally be reached on Monday through Friday, 8:30-5.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Yogendra Gupta can be reached on (571) 272-1316. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
